Dear Mr. Werner:

SUBJECT: Tariff To Withdraw SmartLine® Service

Attached is the following tariff filing of BellSouth Telecommunications, Inc., issued, February 13, 2001. We request that this tariff be effective March 16, 2001.

General Subscriber Services Tariff

Section A7- Contents -Twelfth Revised Page 1

Section A7- Third Revised Page 11

Third Revised Page 11.1

Third Revised Page 11.2

This Tariff is being filed to withdraw SmartLine Service for Public Telephone Access. This service is outdated as the current technology for providing public telephone service utilizes smart sets, which do not require smart lines. In fact, the outdated technology that required smart lines has been entirely displaced in Tennessee, as there are no customers currently subscribing to SmartLine Service.

We appreciate your returning a receipted copy as evidence of this tariff filing. Please call Jim Gotto at 214-3815 if you have any questions or wish to discuss.

Supporting Price Regulation calculations are being filed "Proprietary" under separate cover.

Yours truly,

A7.4.7 Customer Provided Public Inmate Calling Service (CPPICS) (Cont'd)

D. (Cont'd)

9. At the request of the facility administrator, call detail information, such as date and time of call, duration of calls, and called and calling telephone numbers, may be furnished to the facility where prison authorities stipulate such information appropriate in preventing or identifying abuse or unlawful use of service and where the prison authorities stipulate that the provision of such information is not in violation of any federal, state or local laws, regulations or orders.
- E. Rates and charges for access line service for CPPICS are provided in A7.4.5 of this Tariff.
- F. Except as modified herein, applicable regulations and requirements as set forth elsewhere in A7.4 for customer-provided public telephones will apply to CPPICS.
- G. A notice shall be conspicuously displayed near CPPICS telephones which notifies inmates that the prison facility may monitor, time and restrict service from such telephones and that information, such as date and time of call, duration of call, and originating and terminating number, may be furnished to the facility, and further, that the use of these telephones constitutes consent to this service.

A7.10 Coin Refund and Repair Referral Service (CRS)

A7.10.1 General

- A. Coin Refund and Repair Referral Service (CRS) provides handling of refund requests and repair referrals generated by the end users of Independent Payphone Provider (IPP) public telephones. End users may request refunds for coins lost during an attempt to place local, intraLATA or interLATA calls and/or submit repair/trouble reports for the IPP public telephone to the Company's operator services.
- B. CRS is available to any IPP outside confinement facilities which also subscribes to Operator Screening. CRS will not be provided for pay telephones located in confinement facilities.

A7.10.2 Regulations

- A. All access lines subscribed to CRS must be subscribed to the same option.
- B. The IPP public telephone must include detailed instructions on how to obtain refund and repair referral assistance.
